The author, Gianluca Gazzoli, was a young reporter for the Italian newspaper *La Gazzetta dello Sport* when he was assigned to cover Inter in 1984. He quickly became a trusted confidant of the club's then-president, Ernesto Pellegrini, and was given unprecedented access to the team's inner sanctum.

In *Aspettando Moratti*, Gazzoli recounts the highs and lows of Inter's rollercoaster ride during the 1980s and 1990s. He was there when the club won the Serie A title in 1989, and he was there when they were relegated to Serie B in 1998. He also witnessed the arrival of some of the biggest names in football history, including Ronaldo, Luís Figo, and Christian Vieri.

But *Aspettando Moratti* is more than just a history of FC Internazionale Milano. It is also a portrait of a man who has been at the heart of the club for over 20 years: Massimo Moratti. Moratti took over as president of Inter in 1995, and he has since overseen one of the most successful periods in the club's history. Under Moratti's leadership, Inter have won five Serie A titles, four Coppa Italia titles, and one UEFA Champions League title.

In *Aspettando Moratti*, Gazzoli provides a unique insight into the mind of one of the most powerful men in football. He reveals Moratti's ambitions for Inter, his relationships with the club's players and managers, and his vision for the future of the game.

Aspettando Moratti is a must-read for any fan of FC Internazionale Milano. It is a fascinating and revealing account of one of the most successful clubs in world football.
