Chapter 1

Beverly Calhoun was a young woman of spirit and adventure. She had traveled the world with her father, a wealthy American diplomat, and had seen many strange and wonderful things. But nothing could have prepared her for the day she met Lorenz II, the Crown Prince of Graustark.

Beverly and her father were visiting Graustark when they were invited to a ball at the royal palace. Beverly was immediately smitten with Lorenz, who was handsome, charming, and intelligent. Lorenz, in turn, was drawn to Beverly's beauty, wit, and independence.

The two young people spent the evening talking and dancing. They quickly fell in love, and by the end of the night, they were engaged to be married.

Chapter 2

Beverly's engagement to Lorenz was not without its challenges. The Graustarkian court was filled with intrigue and danger, and there were many who did not want to see a foreigner marry the crown prince.

Beverly and Lorenz had to overcome many obstacles, including a plot to assassinate Lorenz. But in the end, their love prevailed, and they were married in a beautiful ceremony.

Chapter 3

After their marriage, Beverly and Lorenz settled down to a life of happiness and prosperity. They had two children, a boy and a girl, and they ruled Graustark with wisdom and compassion.

Beverly never forgot her American roots, and she often used her influence to promote peace and understanding between her two countries.

Beverly of Graustark is a timeless novel of romance and adventure. It is a story that has captivated readers for generations, and it continues to be enjoyed by people of all ages.

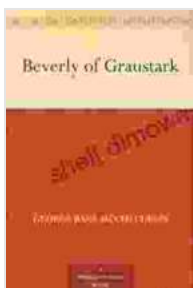

If you are looking for a book that will transport you to another world, then I highly recommend Beverly of Graustark.
