By Gary Letcher

Canoeing the Delaware River: A Paddler's Guide to the Lower Delaware offers a comprehensive guide to canoeing the Lower Delaware River. The book provides detailed descriptions of the river's geography, ecology, and history, as well as practical information on planning a canoe trip.

The Lower Delaware River is a popular destination for canoeists, offering a variety of paddling experiences. The river flows through a variety of landscapes, from the rolling hills of the Delaware Valley to the flatlands of the Delaware Bay. The river is also home to a variety of wildlife, including bald eagles, osprey, and deer.

Gary Letcher's guidebook provides all the information you need to plan a successful canoe trip on the Lower Delaware River. The book includes detailed maps of the river, as well as information on access points, campsites, and river conditions.

Whether you're a novice canoeist or an experienced paddler, Canoeing the Delaware River: A Paddler's Guide to the Lower Delaware is an essential resource for planning a safe and enjoyable canoe trip.
