In her new book, *Everything You Need to Know to Be a Real Fan*, author Sarah Z. Wong explores the complex and fascinating world of fandom. Drawing on her own experiences as a fan, as well as interviews with other fans, scholars, and industry professionals, Wong provides a comprehensive guide to fandom that covers everything from the basics to the latest trends.

The book is divided into three parts. The first part, "The Basics of Fandom," introduces readers to the key concepts of fandom, such as fan identity, fan communities, and fan culture. The second part, "The Different Types of Fandom," explores the different ways that fans express their fandom, from fan fiction and fan art to fan conventions and fan clubs. The third part, "The Future of Fandom," looks at the ways that fandom is changing in the digital age, and what the future holds for fans.

Throughout the book, Wong provides personal anecdotes and insights, as well as practical advice for fans of all levels. Whether you're a new fan just starting out, or a seasoned fan who's been around for years, *Everything You Need to Know to Be a Real Fan* is an essential read.
