

Holland House and Portugal 1793-1840: A Diplomatic History

About the Book

Holland House and Portugal 1793-1840: A Diplomatic History is a comprehensive and engaging account of the diplomatic relations between the United Kingdom and Portugal during a turbulent period in European history. Drawing on extensive archival research, this book sheds new light on the complex interplay between politics, diplomacy, and personal relationships that shaped the course of Anglo-Portuguese relations.

Focusing on the influential Holland House circle, which included prominent Whig politicians and diplomats such as Lord Holland, Lady Holland, and Henry Richard Vassall-Fox, this book examines the role they played in shaping British policy towards Portugal. It explores the ways in which the Holland House circle used their personal connections and influence to advocate for Portuguese independence and negotiate alliances between the two countries.
