

# Meet Gina Damico, the Amphibian-Loving Author of "Croak Croak"

Gina Damico has always been fascinated by amphibians. As a child, she would spend hours exploring her backyard, searching for frogs and toads to observe. This love of amphibians has stayed with her throughout her life, and it's what inspired her to write her latest book, "Croak Croak."

"Croak Croak" is a beautifully illustrated book that introduces young readers to the world of frogs and toads. The book follows the journey of a young frog named Croak as he explores his pond and learns about the different creatures that live there. Along the way, Croak meets a variety of other amphibians, including toads, salamanders, and newts.
