Miki Dora, the enigmatic surfing legend, lived a life on the edge, both in and out of the water. Known for his rebellious spirit, countercultural lifestyle, and unmatched surfing skills, Dora left an indelible mark on the surfing world before tragically passing away at the young age of 49.

This article takes a deep dive into Dora's life and legacy through the prism of his last interview, which was published posthumously in the underground surfing journal, *Underground Journals*. The interview, conducted by close friend and fellow surfer Peter Neely, offers a rare and intimate glimpse into Dora's mind and soul.

The Last Interview

In the summer of 1998, Neely sat down with Dora at his modest home in Baja, Mexico. Dora was in poor health, battling cancer and the physical and mental toll of a life lived to the extreme. Yet, his spirit remained indomitable, and he spoke candidly about his life, his loves, and his regrets.

Dora discussed his early days as a surfing prodigy in Southern California, his formative experiences in Hawaii, and his travels around the world in search of perfect waves. He also talked about his struggles with addiction and mental health, and his complex relationships with family and friends.

Neely's interview with Dora is a powerful and moving document that captures the essence of a true surfing icon. It is a testament to Dora's honesty, vulnerability, and unflinching determination to live life on his own terms.

Underground Journals

Underground Journals was a seminal surfing publication that chronicled the counterculture movement within the surfing community in the 1960s and 1970s. The journal featured interviews with surfing legends, articles on surfing history and culture, and stunning photography that captured the essence of the surfing lifestyle.

Dora was a frequent contributor to *Underground Journals*, and his articles and interviews offer a unique perspective on the surfing world of his time. Dora wrote about the importance of individualism, the search for perfect waves, and the environmental challenges facing the surfing community.

The articles and interviews in *Underground Journals* provide a valuable historical record of a pivotal era in surfing history. They offer a glimpse into the minds and hearts of the surfers who helped to shape the sport and the culture that surrounds it.

The Miki Dora Last Interview Book

The Miki Dora: Last Interview book is a compilation of Dora's last interview with Peter Neely, along with a selection of his articles and interviews from *Underground Journals*. The book is a must-read for anyone who wants to understand the life and legacy of one of surfing's most enigmatic and influential figures.

The book is beautifully designed and features rare photographs and ephemera from Dora's personal archives. It is a collector's item for surfing enthusiasts and a valuable resource for anyone interested in the history and culture of surfing.

Miki Dora was a true surfing icon, a rebel who lived life on his own terms. His last interview and the articles and interviews he contributed to *Underground Journals* offer a rare and intimate glimpse into his mind and soul.

The Miki Dora: Last Interview book is a fitting tribute to a surfing legend. It is a must-read for anyone who wants to understand the life and legacy of one of the most enigmatic and influential figures in the history of surfing.
