Welcome to the thrilling world of rock climbing in the Upper Midwest! Our comprehensive guidebook to Minnesota and Wisconsin will lead you to hidden gems, towering cliffs, and breathtaking views that will ignite your passion for this exhilarating sport.

## **Minnesota: A Climber's Paradise**

Minnesota may not be known for its mountains, but it boasts a treasure trove of rock climbing destinations that will challenge and inspire climbers of all levels. From the towering cliffs of the North Shore to the hidden gems of the Twin Cities metro area, Minnesota offers a diverse range of climbing experiences.

## **North Shore**

The North Shore of Lake Superior is a climbing paradise with stunning views and world-class quartzite cliffs. Palisade Head, Carlton Peak, and Eagle Mountain are just a few of the many iconic climbing destinations in

this region. With over 1,000 established routes, there is something for every climber on the North Shore.

### **Twin Cities Metro Area**

The Twin Cities metro area may not have the towering cliffs of the North Shore, but it offers a surprising variety of climbing opportunities. From bouldering in the St. Croix River Valley to sport climbing at Hidden Falls Regional Park, there are plenty of options for climbers of all abilities within easy reach of the cities.

## **Wisconsin: Underrated Climbing Destination**

Wisconsin is often overlooked as a climbing destination, but it has a hidden gem waiting to be discovered: Devil's Lake State Park. This stunning park features towering sandstone bluffs that offer a unique and challenging climbing experience. With over 500 established routes, Devil's Lake is a must-visit for any climber in the Upper Midwest.

## **Devil's Lake State Park**

Devil's Lake State Park is a climber's paradise with towering sandstone bluffs, breathtaking views, and a variety of climbing options. From easy top-rope routes to challenging trad climbs, there is something for every climber at Devil's Lake.

The park is also home to a number of bouldering areas, including the famous Grotto. With its unique sandstone formations and challenging problems, the Grotto is a must-visit for any boulderer in the Upper Midwest.

## **Comprehensive Guidebook**

Our guidebook to rock climbing in Minnesota and Wisconsin is the most comprehensive and up-to-date available. It includes detailed descriptions of over 1,500 climbing routes, as well as information on access, parking, and camping. With over 200 full-color photos and topos, our guidebook will help you find the best climbing destinations in the Upper Midwest.
