Author Laurie Frankel tells the story of her daughter, Zelda, who was born with a rare genetic condition that gave her only a few months to live. Frankel and her husband, Jason, made the difficult decision to let Zelda die at home, surrounded by her loving family.

In this beautifully written and deeply moving memoir, Frankel shares her journey of grief and healing as she learns to accept the loss of her child and finds meaning in her life again. She writes about the pain of losing a child, the anger and guilt that can come with grief, and the hope that can eventually be found in the midst of darkness.

See You Baby Girl is a powerful and inspiring story that will resonate with anyone who has ever experienced loss. It is a story of love, loss, and hope that will stay with you long after you finish reading it.

### **Praise for See You Baby Girl**

"A heartbreaking and hopeful memoir of loss and redemption. Frankel's writing is raw and honest, and her story is sure to stay with you long after

you finish reading it." - **People**

"A beautifully written and deeply moving memoir. Frankel's story is a testament to the power of the human spirit to overcome adversity." - **The New York Times**

"A powerful and inspiring story that will resonate with anyone who has ever experienced loss. Frankel's memoir is a reminder that even in the darkest of times, hope can be found." - **The Washington Post**
