The Mighty Mites is a true story of courage and triumph, following a group of young boys from Gary, Indiana, who overcame poverty and discrimination to become one of the best Pop Warner football teams in the country.

The team was founded in 1959 by Clarence "Biggie" Cranford, a former steelworker who had a dream of giving the boys in his community a chance to succeed. Cranford, who had been a star athlete in his own youth, knew the power of sports to build character and teach life lessons.

The Mighty Mites were an instant success, winning their first game by a score of 54-0. The team continued to win, and soon they were known as one of the best Pop Warner teams in the country. The Mighty Mites' success was due in large part to the hard work and dedication of the boys on the team. The boys practiced every day, rain or shine, and they never gave up, even when they faced adversity.
