A Haunting Tale of Revenge and Redemption

In the remote Blackfoot Nation reservation, four Native American men are haunted by a tragic incident from their childhood. They had trespassed on forbidden hunting grounds, unleashing a vengeful entity that now seeks their retribution. As they try to escape their past, the men find themselves ensnared in a web of ancient legends, supernatural forces, and their own inner demons.

Immersive World-Building and Compelling Characters

Jones paints a vivid and atmospheric depiction of the Blackfoot reservation, drawing on Native American mythology and traditions to create a truly immersive experience. The characters are complex and relatable, each carrying their own burden of trauma and secrets. Their struggles will resonate with readers on a deeply human level, making the story all the more chilling.

Unsettling Horror and Superlative Storytelling

Jones's writing is both lyrical and terrifying. He weaves together suspenseful moments with chilling descriptions that will leave you on the edge of your seat. The novel explores themes of guilt, vengeance, and the complexities of Native American identity, elevating the horror genre to a new level of literary excellence.

Critical Acclaim and Awards

"The Only Good Indians" has received widespread critical acclaim, earning numerous awards and accolades. Among them are:

- Finalist for the National Book Award for Fiction (2020)
- Winner of the Bram Stoker Award for Best Novel (2020)
